

PATRIARCHATUS LATINUS - JERUSALEM

بطريركية القدس للاتين

Prot. N. (1) 1388/2023

Appeal – November 2023

Dear Brothers and Sisters,

May the Lord give you peace!

Charity and prayer animate the entire extended family of the Latin Patriarchate of Jerusalem, especially during times of extreme hardship. Many lives were saved and much suffering was alleviated thanks to your support in these recent appeals: Covid-19, Gaza 2021; the Beirut port blast; and the Syria and Turkey earthquake

In all of these situations we heard and answered the cry of the poor. Once again, their cry is heard in the Holy Land because of the war that has been raging now for over three weeks.

The current crisis has caused not only death, destruction and hunger in Gaza, but also high unemployment, especially in the Bethlehem area, and other social issues all over the Holy Land. We are facing a crisis that affects countless families from different religions and all our institutions including schools, hospitals and parishes. In Gaza, our material resources have been extended beyond our walls to include our suffering neighbors and to those who took refuge in other locations. The spirit of coordination was evident as local players also extended a helping hand. We share practically everything from food and water to medicines and supplies. We have learned in this difficult time that to rebuild the physical world we must build and protect trust between people.

Hundreds of people from all over the world have contacted us and have helped us to offer concrete support. We know what we need to do, as we have done with all our heart in previous crises, and we will undoubtedly do it again. Please help us to make a concrete difference and to build the necessary environment so that, in this society scarred by hatred, we may again sow the seeds of trust, of hope and of love.

Be assured of my prayer and gratitude for each of you!

In Christ,

+ *Pierbattista Pizzaballa*
